

Five Magnets for Success: Handout

WITH SUE JENKINS

HOLDING ONESELF IN READINESS

At its core, it means that if you know you want something to happen in your future, you must do everything you can right now to prepare yourself to have that future.

FIVE MAGNETS FOR SUCCESS

Steer the course of your career through choice. By actively participating in our own career-making decisions, you can build positive alliances with like-minded individuals that provide abundant opportunities to get involved, take action, and work in harmony to help make the world a better place.
